Renovation Update

- The renovation of the 5th floor is progressing well. At this time we are anticipating residents from the 6th floor moving to the 5th floor the 3rd or 4th week in June. These are still very tentative dates.
- Gay Construction is doing an excellent job of keeping the noise level down before 9:00 a.m. in the morning. They have been, and will continue to be, aware that they are working in your home. However, in order for the project to stay on schedule there may be periods of time before 9:00 a.m. when there will be noise throughout the building. Thank you for your continued patience.
